13.99€

Arrive at your destination with a full power thanks to the Duracell 27W USB-A + USB-C In-Car Charger. The compact charger fits in your cars power socket and offers faster charging than a standard 5W charger. Simply connect your USB-A or USB-C cable and your smartphone, or other portable device, to the charger to stay fully charged while in the car. The dual ports enable you to charge two devices simultaneously from a single car power socket. Duracell's 30W dual USB-A + USB-C In-Car Charger features PD charging for advanced super-fast charging of USB-C devices, providing optimised 4 x faster charging to compatible devices. All Duracell's chargers come packaged in our very own pressed pulp eco-packaging that is 100% recyclable. Manufactured using ultra-durable materials the Duracell 27W USB-A+USB-C In-Car Charger is designed to last longer and comes with 3-year warranty as standard.
