Precision and Freedom with the CORSAIR M55 Wireless Gaming Mouse

The CORSAIR M55 WIRELESS gaming mouse offers a versatile and high-performance experience for gamers of all levels. Designed with a focus on agility and precision, this mouse features a lightweight 85g construction and an ergonomic shape that ensures comfort during even the most intense gaming sessions. Whether you are navigating fast-paced shooters or complex strategy games, the M55 Wireless provides the stability and control you need.

At the heart of the M55 Wireless is a high-performance optical sensor delivering up to 24,000 DPI. This high resolution, combined with 300 IPS tracking speed and 35 G acceleration, ensures that every flick and micro-adjustment is captured with perfect accuracy. Connectivity is seamless thanks

to CORSAIR SLIPSTREAM WIRELESS technology, offering sub-1ms latency, alongside Bluetooth support for wider device compatibility.

Features:

- Ultra-lightweight 85g design for rapid movements and reduced wrist fatigue.
- High-precision optical sensor with up to 24,000 DPI for elite tracking.
- Dual connectivity options: Hyper-fast 2.4 GHz SLIPSTREAM WIRELESS or low-latency Bluetooth.
- Six programmable buttons to customize your macros and in-game commands.
- Durable mechanical switches rated for up to 60 million clicks.
- 100% PTFE feet for an exceptionally smooth glide on any surface.
- Powered by a single AA battery for convenient and long-lasting power.

CORSAIR is a world leader in high-performance gear for gamers and content creators. Their products are engineered for reliability and precision, helping users reach their full potential in every digital environment.

Order today from ++SHOP++ as we offer the best deals and fast shipping on premium gaming peripherals.

The CORSAIR M55 WIRELESS mouse offers a versatile gaming experience with customizable features and robust performance. Designed for gamers, it features a lightweight design and an ergonomic shape that fits comfortably in hand during intense gaming sessions. With 24000 DPI and a maximum acceleration of 35 G, precision tracking is ensured, allowing for quick and accurate movements on the screen.

Equipped with programmable buttons, users can assign macros and commands to individual keys, enhancing gameplay efficiency. The mouse utilizes CORSAIR SLIPSTREAM WIRELESS technology for a reliable wireless connection and comes with both Bluetooth and 2.4 GHz interfaces. The high-quality polytetrafluoroethylene (PTFE) feet provide smooth glide across surfaces, making it a choice for gamers who demand performance.
