The large rectangular desktop provides ample space (1200 x 600 mm) for multiple monitors, accessories, and peripherals. The table top boasts a striking Carbon Fibre finish, which is not only aesthetically pleasing but also highly resistant to scratches and everyday wear, ensuring a desktop thickness of 1.8 cm. Built on a robust aluminium frame, the Hero 5.0 ensures stability and longevity.

Smart Organization System

Clutter-free efficiency is central to the Hero 5.0 design. It includes an advanced Cable Management system designed to keep wires hidden and neatly organized. Integrated Cable Grommets allow smooth routing through the desk surface, while the convenient built-in headphone hook ensures your headset is always within easy reach, saving valuable desktop space. Adjustable feet ensure the desk remains perfectly level, regardless of floor imperfections.
