Silent Wireless Keyboard & Mouse set

Wireless and silent keyboard and mouse set for hours of working comfort

Let's get productive

Noisy is out, silent is in. This wireless keyboard and mouse set has silent keys and buttons so you can easily work without disturbing yourself and those around you. Ready to enjoy your most productive workdays yet?

Typing, elevated

We're a firm believer in productivity and comfort going hand in hand. Adjustable cursor speed (800-1600 DPI) helps you find the perfect speed to tackle your work with, whilst floating low-profile keys and an adjustable typing angle ensure all-day comfort for work without pain.

Wireless wonder

No pesky cables around to get in your way – completely wireless, this keyboard gives you all the flexibility you need whilst working. With a convenient USB receiver, magnetic and storable inside the keyboard, simply plug into your laptop or PC and you're good to go.

The keyboard that does it all

This keyboard is for so much more than just typing. With easily accessible media and hotkeys, you can control what you need from the push of a button. What's more, the keyboard even has a convenient on/off switch to help you preserve battery life as much as possible!
