## Pagrindinės savybės

- ✓ USB-C rechargeable 9V battery for sustainable power

## Aprašymas

## The better battery

Ditch the disposables and switch to cleaner power with this USB-C rechargeable 9V Li-ion block battery. Perfect for smoke detectors, RC toys, portable radios and more, it's a more sustainable way to power your devices – no bulky charger needed!

## Techninė specifikacija

### Battery

|                    |                      |
|--------------------|----------------------|
| Battery type       | Rechargeable battery |
| Battery technology | Lithium-Ion (Li-Ion) |
| Battery voltage    | 9 V                  |

|                              |                                                    |
|------------------------------|----------------------------------------------------|
| Number of batteries included | 1 pc(s)                                            |
| Battery capacity             | 400 mAh                                            |
| Battery recharge time        | 4 h                                                |
| Power protection features    | Short circuit, Overheat, Overdischarge, Overcharge |
| Charging port type           | USB Type-C                                         |
| Battery endurance in cycles  | 1200                                               |
| Product colour               | Blue                                               |
| Weight & dimensions          |                                                    |
| Width                        | 26 mm                                              |
| Depth                        | 16 mm                                              |
| Height                       | 47 mm                                              |
| Weight                       | 33 g                                               |
| Packaging data               |                                                    |
| Package type                 | Blister                                            |
| Logistics data               |                                                    |
| Warranty period              | 2 year(s)                                          |
| Matmenys ir svoris           |                                                    |
| Matmenys (I × P × A)         | 2,00cm × 10,00cm × 16,00cm                         |
| Svoris                       | 0,05kg                                             |
