Immerse yourself in rich, dynamic audio thanks to the integrated 20-watt dual-channel speaker system. Features like Object Tracking Sound Lite provide sound that moves with the action on screen, while Q-Symphony synchronizes the TV's speakers with compatible soundbars for a more powerful audio experience. Adaptive Sound+ intelligently optimizes audio based on the content you're watching.

Connectivity is seamless with multiple HDMI and USB ports, along with Bluetooth support, allowing you to effortlessly connect your gaming consoles, Blu-ray players, and other devices. The UE55M80HAUXXH is a fully-featured Smart TV, offering web browsing, internet video playback, and easy access to popular streaming services. With built-in Wi-Fi and Ethernet LAN, staying connected is simple. Navigate your entertainment with ease using the included remote control and enjoy the convenience of voice control with Bixby support.
