Aprašymas

More than a bag

The Lisboa might look like just a professional laptop carry bag, but it's so much more. With fabric made using 8 recycled PET bottles, this bag helps you get your laptop where it needs to be whilst helping the planet too.

Never get shocked

Laptops are precious cargo, so the Lisboa treats them as such. Suitable for laptops up to 16", its shockproof padded laptop compartment ensures that your valuable device makes it from A to B as safe as can be.

Carry like this, carry like that

Everyone is different, so this laptop carry bag has been created to suit you no matter how you carry. Opt between carrying via the handle; removable, adjustable padded shoulder strap; or on your suitcase with the convenient trolley strap.

Access your accessories

Of course the Lisboa carries your laptop, but it can carry much more too! A handy front pocket with zipper allows you to transport your charger, phone and other small accessories with ease.
