The AOC U27E4CV is engineered for modern business professionals and content creators demanding exceptional detail and connectivity. This 27-inch monitor delivers razor-sharp 4K UHD resolution (3840 x 2160) on a high-quality IPS panel, ensuring consistent, vibrant colors and wide 178° viewing angles. With 400 nits of brightness, your visuals remain clear and detailed even in brightly lit office environments.

Optimize your workspace with unparalleled connectivity. The U27E4CV features an integrated 90W Power Delivery (PD) USB-C docking station, allowing you to charge your laptop, transfer data, and display video all through a single cable, streamlining your hybrid office setup. Paired with a swift 4ms response time and 60 Hz refresh rate, the monitor handles fast-moving content smoothly.

Key Features for Professional Excellence:

- **Stunning 4K Ultra HD Clarity:** Enjoy four times the pixel density of Full HD, essential for detailed content work and multitasking across multiple applications.
- **Integrated 90W USB-C Power Delivery:** Efficiently power and charge compatible laptops directly from the monitor, simplifying cable management.
- **Ergonomic Design and Comfort:** Equipped with a Height Adjustable Stand (HAS) and VESA mounting support, allowing you to tailor the display height and angle for optimal viewing comfort.
- **Hardware Anti-Blue Light Technology:** Reduces harmful blue light emissions without compromising color fidelity, ensuring visual comfort during long work sessions.
- **Versatile Connectivity:** Includes two HDMI 2.0 ports, one DisplayPort 1.4, and a built-in USB 3.2 Gen 1 hub for connecting peripherals.

AOC (Admiral Overseas Corporation) is a trusted global leader in display technology, renowned for delivering high-performance, quality monitors designed for both professional use and competitive gaming.
