GIGABYTE GS27FC2 27" FHD Curved Gaming Monitor - Unrivaled Speed and Clarity

The GIGABYTE GS27FC2 is engineered for competitive gamers who demand high performance without compromise. Combining a massive 240Hz refresh rate with a sharp 1ms response time, this 27-inch Full HD display ensures every frame is rendered perfectly, giving you the competitive edge needed to win. Its immersive 1500R curvature VA panel pulls you deeper into the action, delivering both exceptional speed and superior visual depth.

Key Performance Features:

- 27-inch FHD (1920 x 1080) resolution for crisp, detailed gaming visuals.
- Ultra-fast 240Hz refresh rate, minimizing motion blur and providing exceptional fluidity in fast-paced games.
- 1ms response time for immediate, ghost-free pixel transitions.
- 1500R Curvature VA Panel offering wide viewing angles (178°/178°) and true immersion.
- Vivid color reproduction with 125% sRGB coverage for enhanced and accurate gaming visuals.

Seamless Gaming Experience:

The GS27FC2 supports AMD FreeSync Premium technology, synchronizing the refresh rate of your graphics card and monitor to effectively eliminate screen tearing and stuttering during high-stakes action. Furthermore, the monitor boasts a high brightness of 350 cd/m² and is HDR Ready, delivering dynamic contrast and brilliant visual fidelity across all content.

Designed for Comfort and Connectivity:

- Eyesafe 2.0 certified technology minimizes harmful blue light exposure without compromising color accuracy, ensuring reduced eye strain during marathon gaming sessions.
- Flexible connectivity options including two HDMI 2.0 ports and one DisplayPort 1.4 connection, allowing easy connection to multiple devices.
- VESA mounting compatibility for ergonomic setup flexibility and finding the perfect viewing position.

GIGABYTE is a world-renowned leader in the technology industry, specializing in high-performance computing hardware, including motherboards, graphics cards, and award-winning gaming peripherals and monitors.
