The ProLite XB2797QSU is perfect if you want a compact, high-performance display that fits seamlessly into a multi-monitor setup. The four-side slim bezel creates a clean, modern workspace and ensures uninterrupted visuals across screens. With a sharp QHD 2560x1440 resolution and IPS panel technology, this 27" monitor delivers outstanding image clarity, consistent colour accuracy and wide viewing angles. It is ideal for professionals who multitask, work with detailed visuals or compare documents side by side. Adjust the screen to suit your posture with a fully ergonomic stand offering 15cm height adjustment, as well as tilt, swivel and pivot functions. This helps you create a comfortable and healthy workspace tailored to your individual needs. Whether you're working on documents, editing content or browsing the web, flicker-free technology and TÜV Rheinland Eye Comfort certification ensure the display meets strict criteria for low blue light and long-term viewing safety. The XB2797QSU also comes equipped with integrated stereo speakers, a four-port USB hub, and versatile connectivity options including HDMI, DisplayPort, and a headphone socket, helping you maintain an organised and efficient workspace. Certified to EPEAT Silver and TCO standards, the XB2797QSU offers reliable performance and essential user-focused features for productive modern work environments.
