Equipped with high-quality IPS panel technology, the ProLite X3270QSU-B1 delivers excellent colour performance and consistent, wide viewing angles (178°/178°), making it perfect for collaborative work or intricate multi-monitor setups. The rapid 100Hz refresh rate and 3ms response time provide smooth motion, reducing strain during fast-paced work or light media consumption.

Optimized for Productivity and Comfort

This display includes essential features designed to streamline your workflow. The built-in USB 3.2 Gen 1 hub allows you to connect peripherals directly to the monitor, minimizing cable clutter and maximizing desktop organization. Extensive connectivity options, including HDMI and DisplayPort, ensure seamless integration with various systems.

Key Specifications and Benefits:

- **31.5-inch IPS Panel:** Provides superior colour accuracy and exceptionally wide 178° viewing angles.
- **WQHD Resolution (2560x1440):** Delivers noticeably sharper images and significantly more workspace than standard Full HD.
- **100Hz Refresh Rate & 3ms Response Time:** Ensures smooth on-screen motion, ideal for detailed editing and fast applications.
- **Integrated USB 3.2 Hub:** Conveniently connect keyboards, mice, or flash drives directly through the monitor.
- **Blue Light Reducer Function:** Helps reduce eye fatigue during long working hours, promoting comfort.
- **Connectivity:** Features both HDMI and DisplayPort inputs for maximum compatibility.

iiyama is a globally recognized manufacturer known for producing high-quality, reliable display solutions ranging from professional monitors to large format displays. Focusing on performance and durability, iiyama screens are trusted by businesses worldwide.
