For those who juggle multiple projects, workflow interruptions are a thing of the past. The Galaxy Z Fold8 Ultra is powered by the custom-built Snapdragon® 8 Elite Gen 5 for Galaxy, featuring a next-generation CPU, GPU, and NPU. This platform delivers elite performance, ultra-smooth graphics, and faster on-device AI for advanced problem-solving.

Ultra Battery for Maximum Power

The Galaxy Z Fold8 Ultra boasts a 5000 mAh battery, ingeniously integrated into its slim and light foldable design. Enjoy up to 27 hours of video playback before needing a quick recharge with super-fast charging capabilities.

Bigger, Brighter, and Better Display

Experience a 15% brighter display than the Galaxy Z Fold7, with a peak brightness of 3000 nits. The main screen's anti-reflection coating reduces glare, ensuring superior clarity whether you're indoors, outdoors, or on the move.

Ample Storage for All Your Needs

Choose from 256 GB, 512 GB, or 1 TB storage options, designed to keep all your saved tabs, photo libraries, and important tutorials readily accessible.

Master Every Shot with Advanced Nightography

Capture exceptional detail even in low light with a camera system that respects the dark. The ProVisual Engine elevates your photos by handling real-time noise reduction and intelligently analyzing sensor-specific noise patterns for extreme contrast management. Document every moment with crisp details, from campfires to outdoor adventures.

Evolution in Resolution: 200 MP Wide Camera

The 200 MP Wide camera and an upgraded 50 MP Ultra Wide camera allow you to capture breathtaking scenic shots in high-resolution detail. Wider apertures on the Ultra Wide sensor provide 34% improved brightness compared to the Galaxy Z Fold7. AI image signal processing enhances selfies for more natural skin tones and hair texture.

Super Sharp 8K Video Recording

Record in stunning 8K resolution with the upgraded 50 MP Ultra Wide camera. Go from Wide to Ultra Wide with unparalleled visual clarity and create cinematic masterpieces with four times the resolution. Super Steady's Horizontal Lock ensures smooth, shake-free footage, automatically detecting the horizon to keep your frame level, even with a 360° camera rotation.

Intuitive Features for a Seamless Experience

Stay on track with Now Nudge, which provides helpful prompts to guide you to your next action without interrupting your flow. Seamlessly transition from the cover screen to the main screen, enabling split-view productivity and effortless multitasking. Manage your calendar, add schedules, and save locations on maps without manual app switching.

Studio-Level Edits with Galaxy AI

Effortlessly edit photos with Galaxy AI. Simply describe the edits you want, and the AI will enhance your images. Compare original and edited versions side-by-side on the large main screen.

One UI 9: Optimized for Foldable Devices

One UI 9 is optimized for the Galaxy Z Fold8 Ultra, offering a customizable home screen and advanced multi-window views. Run multiple apps side-by-side on the expansive main screen for enhanced productivity, with seamless two-way and three-way split views.

Samsung is a global leader in technology, renowned for its innovative smartphones, consumer electronics, and home appliances. With a commitment to quality and cutting-edge design, Samsung consistently delivers products that enhance everyday life.

True confidence takes shape with the new Galaxy Z Fold8 Ultra. Engineered to be Ultra powerful and meet your every need, as you orchestrate multiple demands at once without missing a beat.

Ultra speed, powered by Snapdragon—customised for Galaxy

For those who love to tackle multiple projects at once, the last thing you want is an interruption in your workflow. Galaxy Z Fold8 Ultra is powered by Snapdragon® 8 Elite Gen 5 for Galaxy — bringing

together a next-generation CPU, GPU and NPU to stay effortlessly ahead of tasks. This custom-built platform drives elite performance, delivering ultra-smooth graphics and faster on device AI for advanced problem-solving.

Ultra battery. Max the power

Galaxy Z Fold8 Ultra's 5000 mAh battery has been engineered into a slim and light Fold for more power without compromising size. Enjoy up to 27 hours of video content before a quick refuel session with super-fast charging.

Bigger, brighter, better

Display brightness. Galaxy Z Fold8 Ultra offers a 15% brighter display than Galaxy Z Fold7 with a peak brightness of 3000 nits. Plus, anti-reflection on the main screen provides less glare so you can enjoy better clarity whether you're indoors, outdoors or even on the go.

Up to 1 TB for what matters

Storage. From saved tabs, photo libraries and long tutorials you can come back to, there are three storage options that are designed for everything you want close at hand — choose between 256 GB, 512 GB and 1 TB.

Nights. Camera. Action

Nightography. If you're a keen camper whose weekends are defined by getaways with friends in the great outdoors, you need a camera system that respects the dark. Master every shot with camera sensors that capture exceptional detail, while ProVisual Engine elevates it further by handling noise reduction in real time.

Built into the advanced AP, it intelligently analyses sensor-specific noise patterns to handle more extreme contrasts, even in low light. It keeps shadows in the background as they should be, while capturing the crisp, flickering details of the fire — perfectly documenting the camp setup you curated.

Evolution in resolution

High Resolution. The 200 MP Wide camera and upgraded 50 MP Ultra Wide camera allow you to take even the most scenic shots in high-resolution detail. Plus, wider apertures on the Ultra Wide sensor provide 34% improved brightness compared with Galaxy Z Fold7.

Main screen and cover screen selfies also get an upgrade with the newly integrated AI image signal processor (ISP) for more natural selfies that are true to your natural skin tone and hair texture.

Super sharp 8K clarity

8K Video Recording. Your video footage should be usable from the moment you capture it. Galaxy Z Fold8 Ultra's upgraded 50 MP Ultra Wide camera enables 8K, allowing you to go from Wide to Ultra Wide with unparalleled visual clarity. With four times the resolution, create cinematic masterpieces with shots that feel more immersive and lifelike.

Whether you're conquering uneven hiking trails or working on sprinting drills with friends, capture consistently smooth, shake-free footage every time. Super Steady's Horizontal Lock automatically detects the horizon to keep your frame level, even if your camera rotates a full 360°.

Nudges what's next. Takes you there right away

If your schedule is packed tight with commitments, you don't have the bandwidth to think about next moves. Running enthusiasts no longer need to manually open their Calendar app to crosscheck the date for the next event. Instead, Now Nudge keeps things moving without pulling you out of the moment.

Helpful prompts are ready to take you to your next action, allowing you to work seamlessly from the cover screen to the main screen. Unfold and press the prompt to move to a split view that gives you the space to do more in one place. Seamlessly jump between tasks without losing track of what you were doing. View Calendar, add schedules and save locations on maps, all without a single manual app switch.

Film it all. Frame perfectly later

Get everyone in the shot when playing sports or spending time with friends and then put the spotlight on one person later with Galaxy AI. On Galaxy Z Fold8 Ultra's massive main screen, change wide-angle shots into subject-centered tracking shots cropped to your choice of aspect ratio for easier, more precise edits right from your Gallery.

Studio-level edits, built in

Get effortless AI photo editing with just a few words. Naturally describe the edits you want to make, and Galaxy AI will enhance the image for you. Watch it come to life in minutes, then easily compare

the original and edited image side by side on the large main screen.

One UI fits all

Optimised especially for Galaxy Z Fold8 Ultra, One UI 9 helps everything flow more smoothly with a customisable home screen and multi-window views. On the expansive main screen, run multiple apps side by side for a boost in productivity. The supporting two-way and three-way split view allows you to freely shift between windows with just a tap.
