FlexMode and Auto Zoom, or switch to a camcorder grip for stable video recording. Dual Preview allows you and your subject to see the shot in real-time, while Portrait mode uses AI-powered stereo bokeh for professional-looking depth. For vloggers, the Super Steady feature with Horizontal Lock keeps your shots level even during a full 360° rotation. Personalize your cover screen with Flip Shot and showcase your favorite pictures or messages. Dual Recording lets you capture different perspectives simultaneously on both the FlexWindow and main screen, making sharing effortless. Stay informed with the hyper-personalized FlexWindow, which learns your routines and offers custom insights on weather, health, travel, and more. Effortlessly enhance your photos with AI editing by simply describing the edits you want. The optimized One UI 9 for Galaxy Z Flip8 provides seamless app access on both screens, with customizable widgets for Gallery, Weather, Health, and Calendar. Powered by a next-gen CPU, GPU, and NPU, this smartphone handles demanding tasks with ease, while the advanced NPU powers instant idea shaping and the GPU ensures smooth visuals. This device supports 5G connectivity, Wi-Fi 7, and Bluetooth 5.4, offering a seamless and powerful user experience.

Key Features:

- Stunning 50 MP main camera with advanced FlexCam for hands-free, high-quality photography.
- Dynamic 17.5 cm (6.9") Dynamic AMOLED 2X display with a 2520 x 1080 resolution and 120 Hz refresh rate.
- Innovative FlexWindow with a 10.4 cm (4.1") Super AMOLED display for quick access to notifications and apps.
- Powerful Samsung Exynos 2600 processor with 10 cores for exceptional performance.
- Massive 12 GB RAM and 512 GB internal storage for seamless multitasking and ample space.
- Long-lasting 4300 mAh battery with 25W USB Type-C fast charging and wireless charging support.
- Dual SIM capability (NanoSIM + eSIM) and advanced connectivity including 5G, Wi-Fi 7, and Bluetooth 5.4.
- Durable design with IP48 water and dust resistance and Gorilla Glass Victus 2 on the second display.
- Enhanced AI features for photo editing, personalized insights, and an intuitive user interface.
- Sleek and lightweight design in an elegant Cream finish.

Samsung is a global leader in consumer electronics and mobile technology, renowned for its innovation, quality, and commitment to pushing the boundaries of what's possible. The Galaxy Z Flip8 embodies this spirit, offering cutting-edge foldable technology and a premium user experience.

Share your POV on your own terms with Galaxy Z Flip8. Our thinnest and lightest Flip has been built with a powerful FlexCam and an optimised FlexWindow that allows you to always show up as your unique self.

Solo or squad. Hands-free

For the everyday photographer, Galaxy Z Flip8's 50 MP camera lets you frame what feels right in the moment, and every shot is just how you saw it. FlexCam lets you go hands-free, picking up the details that actually matter — true skin tone and real texture.

Switch up your POVs as you go. Flip into FlexMode and activate Auto Zoom to get everyone in the shot, change to a camcorder grip for videos or use Dual Preview so others can see themselves as you shoot. Switch to portrait mode and the rear cameras work together to create an effect called stereo bokeh. Powered by AI that's been trained on DSLR imagery, it adds natural depth while keeping the subject as it should be.

Super steady even on the run

If you're a vlogger that enjoys creating POV content, make moments feel more valuable with Super Steady's Horizontal Lock. It automatically detects the horizon to keep your frame level, even if your camera rotates a full 360°. Use camcorder grip for added stability when shooting others or use the FlexCam preview when shooting selfies, and lock in steadier footage every time.

Flip Shot

Now you can take mirror selfies with an added part of you. Use Flip Shot to customise your cover screen background with your favorite pictures, drawings or even write a message to express yourself while snapping.

Dual Recording

Create dynamic content that shows different perspectives at once. Activate a split view that can

appear on both FlexWindow and on the main screen, so you and your subject can preview the video at the same time for perfectly synced shots. Then, share without editing so reliving the moment is just as easy as capturing it.

Personalised brief, just for you

Stay on top of your day with hyper-personalised insights at a glance directly from FlexWindow. Now Brief doesn't just intelligently learn your routines, it can also be customised by your own written prompts for briefings you'd like to receive based on your interests such as weather, health, travel and more.²

Studio-level edits, built in

Get effortless AI photo editing with just a few words. Naturally describe the edits you want to make, and Galaxy AI will enhance the image for you. Then watch it come to life in minutes.

One UI fits all

Optimised especially for Galaxy Z Flip8, One UI 9 allows you to access the apps tray as easily on FlexWindow as the main screen. Move, add or delete widgets such as Gallery, Weather, Health or Calendar directly on the cover screen for instant customisations.

Power that empowers you.

Customised for Galaxy

Galaxy Z Flip8 brings together next-gen CPU, GPU and NPU to support the way you explore and express yourself. Built with our most powerful custom AP, it handles demanding days without breaking your flow. The advanced NPU powers AI tools that help you shape ideas instantly, while the GPU keeps visuals smooth across everything you watch and create.
