The HP EliteBook X G1i 14 is a state-of-the-art Next Gen AI PC, designated as a Copilot+ PC, built to meet the rigorous demands of modern business professionals. Combining exceptional performance, leading-edge security, and ultimate portability, this notebook features a strikingly thin profile, starting at just 1.05 cm (front), and an elegant Glacier silver finish.

Unmatched Performance and AI Capability

Powered by the high-efficiency Intel Core Ultra 7 processor (268V), this laptop delivers boosted speeds up to 5 GHz across its 8 cores, ensuring seamless multitasking and rapid processing for complex applications. The architecture is supported by a massive 32 GB of high-speed LPDDR5x-SDRAM clocked at 8533 MHz, providing instantaneous data access for AI tasks and demanding workloads. Storage is handled by a lightning-fast 1 TB NVMe PCI Express SSD, guaranteeing near-instant boot times and file transfers.

Premium Display and Design

- **WUXGA IPS Display:** Enjoy crystal-clear visuals on the 14-inch (35.6 cm) WUXGA (1920 x 1200) IPS panel.
- **Exceptional Brightness:** With a stunning 800 cd/m² brightness, the display remains perfectly visible even in brightly lit outdoor environments.
- **Ergonomics and Durability:** The notebook includes a spill-resistant and backlit HP Premium Keyboard, featuring a soft grey colour name, enhancing comfort and productivity in low light.
- **Immersive Audio:** Four integrated speakers ensure high-quality audio for video conferences and media consumption.

Advanced Connectivity and Security

Stay connected everywhere with the most advanced wireless technologies. This EliteBook is equipped with Intel Wi-Fi 7 (802.11be), the top Wi-Fi standard, and integrated 5G mobile network capability, offering unparalleled speed and stability. Security is paramount with Windows 11 Pro, featuring a secure fingerprint reader, an Infrared (IR) 5 MP front camera for secure facial recognition, and comprehensive password protection.

HEWLETT-PACKARD (HP) is a globally recognized leader in enterprise computing solutions, known for manufacturing high-quality, durable, and feature-rich devices specifically optimized for the

business sector, prioritizing reliability and security.

Order today from ++SHOP++ as we offer the best deals and professional support on all HP EliteBook models.
