information faster, enhance meetings with Windows Studio Effects and live captions, and generate content with AI tools. Optimize everyday tasks and workflows with AI-powered features — all running efficiently to amplify routine productivity.

SEAMLESS CONNECTIVITY

Push Your Limits for Every Possibility

The E14 Gen 8 keeps you connected and productive anywhere. It features an array of ports — including dual Thunderbolt™, USB-A, HDMI®, ethernet, and an audio jack to create your ultimate workspace. Plus, advanced WiFi and Bluetooth® ensure fast, reliable wireless connectivity, enabling consistent performance, no matter where your work takes you.

SECURITY & PRIVACY

Safeguarding What Matters Most

Rest easy with the comprehensive data-device protection via ThinkShield's advanced security suite. Discrete Trusted Platform Module (dTPM) offers powerful encryption while optional Intel vPro® technology ensures efficient remote management. Plus, an infrared (IR) camera and an optional power button-integrated fingerprint reader allow for secure logins every time.

LONG-TERM DURABILITY

Ready for Real-World Challenges

Engineered to withstand everyday bumps, travel and tough work environments, the E14 Gen 8 meets rigorous MIL-STD-810H standards and stringent quality checks to ensure smooth, consistent performance even under pressure.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
