LG 34-Inch UltraWide™ WQHD 144Hz HDR10 Curved Computer Monitor

Experience effortless widescreen workflows with this curved 34-inch 21:9 UltraWide™ WQHD display. Enjoy fluid 144Hz visuals, vibrant HDR color, and a sleek, narrow-bezel design perfect for multitasking, creativity, and all-day comfort. The 3440x1440 resolution provides ample space for multiple applications, reducing the need to switch windows and enhancing focus. The subtle 1800R curve adapts to your natural line of sight for comfortable extended use, while the minimalist design promotes a clean and distraction-free workspace.

- 21:9 UltraWide™ WQHD (3440x1440) curved display for enhanced multitasking.
- Up to 99% sRGB color coverage and HDR10 support for balanced and vibrant colors.
- IPS screen ensures consistent visuals and comfort from wide viewing angles.
- Connectivity includes DisplayPort, two HDMI ports, and a headphone jack for essential peripherals.
- Dual Controller (KVM Switch) functionality allows control of two PCs with a single set of peripherals and easy file transfer.
- The Switch app enables screen splitting (up to 6 sections), customizable layouts, and quick access to video calls.
- AMD FreeSync™ Premium Technology and a 144Hz refresh rate with a 5ms response time deliver smooth, tear-free visuals ideal for gaming and fast-moving content.
- Reader Mode reduces blue light for comfortable extended reading sessions.
- Space-saving stand with tilt and height adjustability, plus a 3-side virtually borderless design for an immersive viewing experience.
- One-click mounting simplifies setup.

LG is a renowned global leader in consumer electronics, celebrated for its innovative technology and commitment to quality. With a focus on user experience and cutting-edge design, LG consistently delivers products that enhance everyday life.

Widescreen Workflows Made Effortless

Upgrade your desktop setup with a curved 34" 21:9 UltraWide™ WQHD display that lets you see more at once. Enjoy smooth 144Hz visuals, vibrant HDR color, and a sleek, narrow-bezel design—perfect for on-screen multitasking, creativity, and everyday comfort.

Curved 21:9 UltraWide™ WQHD Display

The 21:9 UltraWide™ WQHD (3440×1440) display gives you room to work across multiple apps at once—reducing window switching and improving focus. The subtle 1800R curve follows your natural line of sight for comfortable long sessions, while the sleek design keeps your workspace open, clean, and distraction-free.

Up to 99% sRGB Color Coverage

Up to 99% sRGB coverage and HDR10 support deliver balanced color and smooth tonal transitions across documents, media, and HDR content. The IPS screen keeps visuals consistent across wide viewing angles, helping maintain clarity and comfort during long work sessions.

Essential Connectivity

With DisplayPort, two HDMI and headphone jack, it's easy to connect essential gear and peripherals for a cleaner desk and smoother workflows.

Dual Controller (KVM Switch)

Control two PCs with a single monitor, keyboard, and mouse. Easily switch between devices and move files between systems with simple drag-and-drop—streamlining your setup and reducing desk clutter without extra hardware.

Customize Your Screen View with the Switch App

The Switch app transforms your screen into a multitasking hub for work, gaming, and streaming. Effortlessly split the screen into up to 6 sections, customize display layouts, or launch video calls with a single hotkey.

AMD FreeSync™ Premium Technology

Powered by AMD FreeSync™ Premium certification, this monitor delivers tear-free, ultra-smooth visuals with low latency—so fast motion stays responsive. Ideal for casual and everyday gaming.

144Hz Keeps Motion Super Smooth

With a 144Hz refresh rate¹ and 5ms response time, this UltraWide™ keeps visuals smooth and clear. Perfect for video calls, streaming, and gaming.

Reader Mode Brings Comfort to Reading

Reader Mode reduces blue light displaying warmer hues and tones ideal for reading documents or browsing for extended periods.

Space-Saving Stand with Adjustable Screen

UltraWide's slim stand with a square base helps keep your workspace clean and organized while saving valuable desk space. The 3-side virtually borderless screen with tilt and height adjustability makes it easy to dial in a comfortable viewing position, and one-click mounting allows for quick, and easy setup.
