With a USB Type-C (65W power deliver), HDM, DisplayPort 1.4 and headphone/mic input connect with confidence knowing your devices will be compatible with this display.

Smarter control. Seamless switching with LG Switch

LG Switch lets you adjust image preferences and brightness directly from your desktop and apply settings instantly with a hotkey. Split your screen into up to 11 layouts, launch video calls with a click, and keep your gaming and everyday setup fast, organized, and distraction-free.

Virtually Borderless Simplicity

Experience more screen and less distraction with an ultra-slim bezel and sleek, minimal stand. The virtually borderless design looks clean in dual setups or minimalist spaces, while height and tilt adjustment help you dial in your ideal view.
