Samsung Galaxy XCover 6 Pro: Durability and Speed for the Enterprise

The Samsung Galaxy XCover 6 Pro Enterprise Edition is engineered for professionals who demand maximum reliability, security, and productivity in demanding environments. Built to withstand the rigors of the field, this rugged 5G smartphone ensures you stay connected and efficient, whether indoors or outdoors.

Unmatched Performance and Hyper-Fast Connectivity

Experience seamless multitasking and rapid processing power thanks to the advanced hardware configuration. The XCover 6 Pro supports the latest connectivity standards, keeping you ahead of the curve.

- **Powerful Processor:** Utilizes the Qualcomm Snapdragon 778G 5G Octa-core processor (up to 2.4 GHz) paired with 6 GB of RAM for fast and efficient operation.
- **Ultra-Fast 5G and Wi-Fi 6E:** Supports next-generation 5G networks and cutting-edge Wi-Fi 6E, delivering hyper-fast data speeds wherever your work takes you.
- **Ample Storage:** Features 128 GB of internal storage, expandable by up to 1 TB via a microSDXC card slot.
- **Samsung DeX:** Easily switch to a desktop environment by connecting your device to an external display, enabling PC-like productivity on the go.

Built to Endure the Harshest Conditions

The Galaxy XCover 6 Pro offers extreme durability and practical features essential for professional use, ensuring it remains operational even under adverse circumstances.

- **Extreme Durability:** Rated IP68 for water and dust resistance, and compliant with MIL-STD 810H military-grade standards, providing protection against drops, vibrations, and temperature extremes.
- **Replaceable Battery:** Equipped with a 4050 mAh (typical) replaceable battery, allowing you to swap in a fully charged extra battery instantly for extended uptime. Supports 15W fast

charging via USB-C or convenient POGO pins.

- **Enhanced Touch Sensitivity:** The display remains fully responsive even when your hands are damp or you are wearing leather gloves.
- **Customizable XCover Key:** Program the dedicated XCover Key for specific, frequent tasks, such as Push-to-Talk (PTT), launching specific apps, or activating barcode scanning via Knox Capture.

Vibrant Display and Advanced Security

View your work clearly on a large, high-refresh-rate screen protected by tough glass, while ensuring all your sensitive data remains secure.

- **Large 120Hz Display:** Features a 6.6-inch FHD+ (2408 x 1080) PLS LCD display with a smooth 120 Hz refresh rate, protected by highly scratch-resistant Corning Gorilla Glass Victus+.
- **Professional Camera System:** Capture detailed images with the 50 Megapixel main camera (f/1.8) and the 8 Megapixel ultra wide-angle lens (f/2.2). The front camera is 13 Megapixels (f/2.2).
- **Samsung Knox Security:** Multi-layered, defense-grade security built into the hardware and software protects your most sensitive information from malware and malicious threats from the moment the device is turned on.
- **Biometric Access:** Includes secure face recognition and a side-mounted fingerprint reader.

SAMSUNG is a globally recognized technology leader renowned for its innovation in mobile devices, memory, and electronics. The Galaxy XCover series exemplifies their commitment to creating rugged solutions tailored for professional and enterprise environments.

Order today from ++SHOP++ as we offer the best deals on enterprise-grade rugged smartphones, ensuring reliability and performance for your toughest jobs.

Do more with confidence. Galaxy XCover6 Pro

Built to be durable, secure, and productive, Galaxy XCover6 Pro gives pros the confidence to do more in the field and beyond.

Awesome performance to do more at once

Galaxy Xcover6 Pro combines Octa-core processing power with 6GB of RAM for fast and efficient performance for the task at hand. Enjoy 128GB of internal storage and add up to 1TB more with microSD card.

Lightning speed wherever you go

The XCover6 Pro will keep you ahead. Out in the field or inside the office, the XCover6 Pro supports 5G as well as Wi-Fi 6E for hyper-fast connection anywhere, anytime.

Optimized display experience with large screen and super smooth scrolling.

Take in more, all at once. The Galaxy XCover6 Pro's 6.6-inch large Display gives you room to see and do more. With FHD+ technology and a 120Hz high refresh rate, the content you see every day will look smoother and sharper.

Durable to a new extent

The XCover6 Pro's IP68 water and dust-resistance rating and MIL-STD 810H-grade durability takes it anywhere you need to go.

Keep an extra life ready with replaceable battery

With its 4,050mAh (typical)* replaceable battery, Galaxy XCover6 Pro gives you long-lasting power. When you need a quick power-up, either swap it out with a fully charged extra battery or use the 15W Fast Charging charger. Plus, you can get to charging quickly and conveniently with the POGO pin.

Seamless swiping in harsh conditions

Through rain, the XCover6 Pro will respond. With heightened touch sensitivity, the XCover6 Pro stays touch-responsive even when your hands are damp or when you've got leather gloves on.

Protect what matters to you

Built into the phone's hardware and software from the start, Samsung Knox protects your phone from the minute it's turned on. Offering multi-layered security, it defends your most sensitive information from malware and malicious threats.

Customize your go-to key

Make your day easier. The XCover Key can be customized to fit your tasks and frequent uses by setting it for specific purposes, including Push-to-Talk, barcode scanning, certain apps and more.

Multi-task without the hassle

Take the office with you with DeX. The XCover6 Pro offers the convenient switch to a large screen from wherever the work takes you. Simply connect your device onto an external display and get to your PC tasks right away.

Stay connected in the field

Communication is clear and seamless with PTT on the XCover6 Pro. With the speaker volume now louder than ever, you can make sure you and your team are staying in sync on the job.

Scan-and-go with Knox Capture

With Knox Capture, your XCover6 Pro can readily become an enterprise-grade barcode scanner. Simply scan as you would take a picture and the captured barcode data are automatically integrated into your business apps.

Built to be durable, secure, and productive, Galaxy XCover6 Pro gives pros the confidence to do more in the field and beyond.
