Aprašymas

Product information "Mousepad with gel wrist rest support, blue" from LogiLink

With the LogiLink GEL mouse pad, you can now relax your hand while working. Thanks to the gel, it moulds its surface precisely to your wrist, making pain after working with the mouse for too long a thing of the past. The mouse pad has an extremely non-slip surface on the underside. It is compatible with all available mouse types such as ball, optical and laser mice.
