Pagrindinės savybės

- ✓ Conference microphone
- ✓ Silver Echo cancellation
- ✓ Wired 1.8 m

Aprašymas

CP Wired Expansion Mic CPE90

The Yealink CPE90 is a CP Wired Expansion Mic which works as an audio input device for Yealink CP960 conference phone. Up to two expansion microphones can be connected to Yealink CP960 IP conference phone, which extend the range by an additional 10ft/360° respectively. Advanced echo cancellation and noise suppression filter out unwanted sound, so all that remains is crystal-clear voice. The CPE90 is a clear-cut choice for organizations which enables optimal microphone placement and room coverage.
