## Pagrindinės savybės

- ✓ Production flexibility: 110ml/350ml/700ml ink cartridges
- ✓ POP Draft Mode: Print A1 posters in as little as 24 seconds
- ✓ Unobtrusive design: Thoughtfully designed to fit seamlessly into most environments
- ✓ Ease of use - wireless printing: From your desktop or mobile device
- ✓ Peace of mind: Unique Nozzle Verification Technology (NVT) helps prevent misprints

## Aprašymas

### Lower your costs with enhanced features

If you're an engineer or architect, or work with topography plans, city management or territory scale studies, and need to print accurately, reliably and in fine detail then the SC-T3405 has been designed to meet your needs. This technical large format printer (LFP) can also produce high-quality posters, whether for schools, for retailers' in-store signage or for high-visibility colourful posters advertising events.

### Flexibility

The addition of 700ml ink cartridges means that the SC-T3405 is capable of handling a wider range of applications, including high-precision CAD and technical drawings, and GIS data. Combined with two further cartridge sizes (110ml and 350ml), this allows you to react to changing print demands quickly, and handle unforeseen requests in an instant. Also, the 4-colour pigment UltraChrome XD2 inks used are smudge and water-resistant.

### Productivity

The new 700ml cartridges means you have the option to lower your TCO and reduce the amount of interventions during long print runs, meaning you pay less to print than you would with smaller cartridges. With the introduction of POP Draft Mode, you can now print banners and posters in as little as 24 seconds.

### Peace of mind

Even occasional users can expect consistent print quality. Unique Nozzle Verification Technology (NVT) helps prevent misprints by constantly monitoring for any blockages.

### Easy to use

The SC-T3405 allows users to print wirelessly from PCs, tablets and smartphones. Users can also enlarge documents by connecting (via USB) to another printer or scanner. It also features a highly intuitive 4.3-inch touchscreen.

### Unobtrusive design

Due to its discreet design this printer fits seamlessly into busy professional working environments (stand included).

## Techninė specifikacija

| Specifications               |                                           |

| Ports & interfaces           |                                           |

|                              |                                      |
|------------------------------|--------------------------------------|
| Ethernet LAN                 | Yes                                  |
| USB port                     | Yes                                  |
| Wi-Fi                        | Yes                                  |
| Ethernet LAN data rates      | 10,100,1000 Mbit/s                   |
| Direct printing              | Yes                                  |
| Supported network protocols  | TLS, SSL, IEE 802, SNMP, IPSec, IPv6 |
| Mobile printing technologies | Apple AirPrint                       |
| Security algorithms          | SSL/TLS, SNMP, IPSec                 |

### Performance

|                                 |                |
|---------------------------------|----------------|
| Product colour                  | White          |
| Built-in display                | Yes            |
| Display                         | LCD            |
| Colour display                  | Yes            |
| Display diagonal                | 10.9 cm (4.3") |
| Control type                    | Touch          |
| Internal memory                 | 1024 MB        |
| Sound pressure level (standby)  | 32 dB          |
| Sound power level (standby)     | 32 dB          |
| Sound pressure level (printing) | 50 dB          |
| Country of origin               | Indonesia      |

### Power

|                             |            |
|-----------------------------|------------|
| Power consumption (standby) | 13 W       |
| Power consumption (typical) | 38 W       |
| Power consumption (off)     | 0.25 W     |
| AC input voltage            | 100-240 V  |
| AC input frequency          | 50 - 60 Hz |

### System requirements

|                                     |                                                                                       |
|-------------------------------------|---------------------------------------------------------------------------------------|
| Compatible operating systems        | Mac OS X 10.6.8 or later, Windows 10, Windows 7, Windows 8, Windows Vista, Windows XP |
| Windows operating systems supported | Windows 10, Windows 7, Windows 8, Windows Vista, Windows XP                           |
| Mac operating systems supported     | Mac OS X 10.6 Snow Leopard                                                            |

### Weight & dimensions

|        |         |
|--------|---------|
| Width  | 1080 mm |
| Depth  | 750 mm  |
| Height | 1060 mm |

|                             |                                       |
|-----------------------------|---------------------------------------|
| Weight                      | 64 kg                                 |
| <b>Packaging data</b>       |                                       |
| Package width               | 855 mm                                |
| Package depth               | 1249 mm                               |
| Package height              | 1110 mm                               |
| Package weight              | 95 kg                                 |
| Cartridge(s) included       | Yes                                   |
| Drivers included            | Yes                                   |
| Manual                      | Yes                                   |
| <b>Other features</b>       |                                       |
| Line accuracy               | +/- 0,1                               |
| Touchscreen                 | Yes                                   |
| Compatible products         | WorkForce DS-6500, WorkForce DS-60000 |
| Minimum line width          | 0.02 mm                               |
| Ink drop                    | 4                                     |
