time with ultra-low latency, making it perfect for demanding live broadcasts.

This compact adapter supports stunning digital video capture resolutions up to 3840 x 2160 (4K) at 30 frames per second, or crystal-clear Full HD 1080p at 60 frames per second. Whether you are conducting professional video conferencing, producing high-definition vlogs, or streaming gameplay, the Cam Link 4K delivers the clarity and detail required to captivate your audience.

Key Features for Professional Streaming:

- **4K Ultra HD Resolution:** Capture video up to 3840 x 2160 (4K) at 30p, or enjoy smooth 1080p capture at 60p.
- **HDMI Input:** Easily connect professional cameras via HDMI input to leverage superior optics and image quality.
- **SuperSpeed USB 3.0:** Provides instant, low-latency connection for real-time streaming and recording.
- **Plug and Produce:** Setup is hassle-free with Windows 10 (64-bit) and macOS Sierra 10.12 or later compatibility.
- **Compact and Portable:** Measuring just 8.1 cm x 3.1 cm, and weighing only 20 g, it's ideal for both desktop setups and travel.
- **Included Extension Cable:** Comes with a SuperSpeed USB extension cable for flexible setup options and optimal placement.

Technical Specifications:

- Device Type: Video capture adapter (HDMI to USB 3.0)
