Pagrindinės savybės

- ✓ **UNBELIEVABLE STORAGE:** The RAID enclosure offers space for 4 SATA hard disks in 3.5" format. This way you can expand your storage possibilities by enormous capacities
- ✓ **NEXT LEVEL:** The enclosure supports RAID levels 0, 1, 3, 5, 10 and Single. So you can adapt the system to your needs and enjoy optimum security for your data
- ✓ **FAST DATA ACCESS:** With the eSATA interface, data transfer rates of up to 3 Gbit/s are guaranteed. This means you always have fast access to your hard disks and data
- ✓ **STATUS LED:** Keep an eye on everything! With the status LEDs for operation, fan, interfaces, hard disk access and error, you always know what's going on in the case
- ✓ **EASY INSTALLATION:** Plug in and get started - thanks to Plug & Play, the RAID enclosure is immediately ready for use. The HotSwap function also allows the hard disks to be easily swapped

Aprašymas

Toolless is effortless

...and installed faster. In this enclosure four HDD can be easily mounted into the metal bays and held there. Not even one screw is needed. Thanks to the use of HotSwap and Plug & Play, HDDs can be replaced in a breeze without having to turn off the system or install any driver.

Five modes = Six possibilities

Yeah this is the right math! The controller supports RAID 0, 1, 3, 5 and 10. On top of that, there is always the possibility to switch to Single, so that

each HDD will be displayed individually and accessed separately. Externally, there are two possibilities to connect the enclosure to the computer, the first is via USB 3.0, the second is eSATA, each with its own transmitters.

And yet so simple

Many LEDs indicate regarding connections, if and which interface is used with the HDD as well as activity on the HDD. Additionally, fan information is displayed such as if the automatic fan control is used or which fan speed is set.

Techninė specifikacija

Specifications	
Sandėlio grupė	Gehäuse [+0][-0]
Storage	
Storage drive size	3.5"
Supported storage drive interfaces	Serial ATA, Serial ATA II, Serial ATA III
Number of storage drives supported	4
RAID levels	0, 1, 3, 5, 10
Hot-swap	Yes
Ports & interfaces	
USB connectivity	Yes
eSATA ports quantity	1
Design	
Product type	HDD enclosure
Product colour	Black
Material	Aluminium, Plastic
LED indicators	Fan fail, HDD, Power
On/off switch	Yes
Number of fans	1 fan(s)
Fan diameter	8 cm
Performance	
Data transfer rate	5 Gbit/s
Plug and Play	Yes
Country of origin	Taiwan
Power	
Power source type	AC
AC adapter input voltage	100 -240 V
AC adapter output voltage	12 V
AC adapter output current	5 A

Weight & dimensions

Width	128 mm
Depth	226 mm
Height	170 mm
Weight	2.02 kg
Package width	293 mm
Package depth	270 mm
Package height	155 mm
Package weight	3.03 kg

Packaging content

Cables included	eSATA, USB
