- ✓ IP54 protection against dust and spray, and emergency button for added safety
- ✓ Provides an excellent listening experience and M4/T4 hearing aid compatibility
- ✓ 2G
- ✓ Charging cradle

Aprašymas

Product description

"Joy" means something like "joy" or "happiness" in English. And this name says it all with the emporiaJOY. Because it's simply fun to pick up this handy flip phone, to make calls with it or to take pretty snapshots. An ideal everyday companion that will win you over. We have equipped the popular seniors' cell phone with charging cradle with a robust, durable hinge, so that you will enjoy this device for a long time. Then there are the speed dial buttons - ideal for getting important things done quickly. The 1.1 inch external display and the 2 MP camera also catch the eye. And the icing on the cake? The 2.8 inch main display. In combination with the easy-to-grip buttons, this guarantees easy phone calls. But the emporiaJOY will also make you happy in terms of safety and hearing experience: The device is IP54-certified, meaning it is dust and splash-proof, and is particularly interesting for hearing aid wearers (M4/T4). You also don't have to do without our patented emergency call button, which is located on the back, with this phone. Whether you choose a black or red emporiaJOY or prefer the shade "Blueberry" - each of these senior cell phones comes with a charging

cradle. Also included in the delivery are: battery, USB-C cable, operating instructions and an additional battery cover for the emergency call button.

Techninė specifikacija
