- ✓ Anti-theft zipper webbings for added security
- ✓ Padded, comfortable carry handles
- ✓ Padded, adjustable shoulder strap
- ✓ Slim, lightweight design with protective, water-resistant exterior
- ✓ Trolley strap for easy attachment to rolling luggage
- ✓ Interior made using recycled materials, including 4 water bottles

Aprašymas

The 17-18" Classic EcoSmart® Briefcase redefines the classic laptop case. Built for the demands of daily commutes, yet designed with a low-profile silhouette and a sleek, professional aesthetic, it's the practical brief you need for a busy workday.

Its single compartment design features a padded laptop sleeve for device protection and a workstation for organizing small items. A hidden phone pocket with a magnetic closure adds convenience and discretion. On the outside, adjustable, removable straps, padded handles, and a trolley strap provide comfort and flexibility on the go, while smart security features, like anti-theft zipper webbing, offer extra peace of mind during travel.

Made from durable, water-resistant materials to protect your essentials. It even incorporates recycled materials – including the equivalent of four water bottles – delivering the perfect blend of modern executive styling, functionality, and responsible innovation.

Low-Profile Sophistication

With its slim, lightweight design and modern executive styling, this briefcase combines classic professionalism with a sleek, contemporary edge – perfectly complementing your everyday work style.

Unmatched Security

Travel worry-free with built-in anti-theft zipper webbing that protects your belongings from prying hands. A hidden side pocket provides a secure spot for valuables like your phone or wallet out of sight but easy to access when needed.

Eco-friendly Design

Made with water-resistant polyester and a recycled PET lining, this bag helps protect the planet. Using GRS-certified recycled materials, four plastic bottles were repurposed, shredded, re-polymerized, and spun into yarn to create the interior fabric of this EcoSmart® bag.
