MSI Vigor GK30 Combo RGB Keyboard & Mouse White FR Layout

Elevate your gaming setup with the MSI Vigor GK30 Combo, a stylish white keyboard and mouse set designed for both performance and aesthetics. Featuring vibrant RGB lighting, this combo adds a dynamic visual flair to your desk. The keyboard boasts durable mechanical-like switches for responsive typing and gaming, while the ergonomic mouse ensures comfort during extended sessions. Its FR layout makes it ideal for French-speaking users. Experience a seamless blend of functionality and eye-catching design.

Key Features:

- Striking white design to complement any setup.
- Customizable RGB lighting for a personalized gaming atmosphere.
- Mechanical-like switches for tactile feedback and durability.
- Ergonomically designed mouse for comfortable use.
- FR (French) keyboard layout.

MSI is a renowned brand in the gaming industry, known for its high-performance components and peripherals that empower gamers worldwide with cutting-edge technology and innovative designs. Their commitment to quality and user experience makes them a trusted choice for enthusiasts.
