65.99€

Delock PCI Express Card to 1 x Internal U.2 NVMe SSD Adapter

Upgrade your system's storage capabilities with the Delock PCI Express Card to 1 x Internal U.2 NVMe SSD Adapter. This high-performance adapter allows you to connect a 2.5-inch U.2 NVMe SSD directly to your motherboard via a PCIe slot, unlocking significantly faster data transfer speeds compared to traditional SATA drives. Ideal for workstations, servers, and high-end gaming PCs, this card ensures you can leverage the full potential of NVMe technology for demanding applications and faster boot times.
