

MEMORY READER FLASH ALL-IN-1/USB3.2 TS-RDC3 TRANSCEND

Modelis: TS-RDC3

Gamintojas: TRANSCEND

EAN: 760557846963

Prekės kodas: 59687

16.99€

Transcend's RDC3 card reader is specifically designed to work with next-generation USB Type-C equipped computers and mobile devices. It is compatible with Android smartphones and tablets, new laptops, MacBooks featuring a Type-C port, and iPad Pro devices 2018 or later. Featuring both an SD card slot and a microSD card slot, Transcend's RDC3 is equipped with the USB 3.2 Gen 1 interface for impressive transfer speeds. Download the complimentary Transcend Elite app to manage the files on your smartphone or tablet.

Reversible USB Type-C connector

Transcend's RDC3 card reader comes with a reversible USB Type-C connector for greater ease of use. It is compatible with Android smart devices, new laptops, MacBooks featuring a Type-C port, and iPad Pro devices 2018 or later.

Dual card slots for easy expansion

Transcend's RDC3 card reader is equipped with both an SD card slot and a microSD card slot. The SD card slot supports UHS-I SDXC and SDHC memory cards, while the microSD card slot offers yet another way to expand the storage capacity of your Android smart device.

Note: The reader does not support simultaneous insertion of two cards.

Blazing-fast transfer speeds

Taking full advantage of the USB 3.2 Gen 1 interface for fast transfers, Transcend's RDC3 card reader will unleash the full potential of your high-speed flash cards.

Pocket-sized

Transcend's RDC3 card reader is incredibly compact and fits perfectly in your pocket, making it a great travel companion, whether for business or fun.

Transcend Elite app for Android

The Transcend Elite app is designed to work with Transcend's mobile flash storage and card readers supported on Android devices. Download it from Google Play to explore, manage, encrypt, back up, and share your important files on the go!

RecoverRx software

Transcend offers the RecoverRx software, a free data recovery utility that allows you to search deep within a storage device for traces of erased files, including digital photos, documents, music, and videos.

- For devices featuring a USB Type-C port
- USB 3.2 Gen 1 interface
- Multifunctional smart reader with SD and microSD card slots
- Compact design and portable pocket size
- Works with the Transcend Elite app from Google Play
