Aprašymas

LogiLink's mobile pedestal maximises your storage space and keeps important documents close at hand. With its compact design, it fits under most tables and desks, ideal for any workplace or your home. It has two drawers, with the bottom drawer featuring an adjustable file holder for FC-sized hanging files. A secure lock with two keys protects your office documents and personal belongings. A removable shelf is integrated for small items. Shock-absorbing nylon castors ensure stability and easy mobility, while rounded edges and corners provide comfort and safety. The smooth-running sliding mechanism enables the drawers to be opened and closed quietly.
