Aprašymas

Product information "Racing-Simulator Cockpit with monitor mount for 32-50", black" from LogiLink

Experience the thrill of real-world racing from the comfort of your home. Our racing simulator cockpit offers an immersive driving experience with an ergonomic seat and precise control. Analyze your driving technique and explore new tracks and vehicles in a safe, virtual environment. Specially designed for GT racing and compatible with Logitech, Fanatec, Thrustmaster and more. The single monitor stand fits most 32-50" screens. With two height settings and $\pm 10^\circ$ tilt adjustment, it offers gamers the most realistic racing view. most realistic racing view.
