Aprašymas

The Lenovo ThinkPad T14 Gen 7 combines powerful performance with essential features tailored for modern professionals. Equipped with an 8-core Intel Core Ultra 7 processor and LPDDR5X SDRAM, this notebook ensures a smooth multitasking experience whether in the office or on the move. The 14-inch widescreen display offers a clear anti-glare view, making it suitable for both presentations and video calls. With built-in stereo speakers compliant with Dolby Atmos, users can enjoy high-definition audio during meetings and entertainment alike. The device includes advanced security features, including a fingerprint reader and a Discrete Trusted Platform Module (TPM 2.0) security chip, ensuring that sensitive information remains protected. For seamless connectivity, it supports Wi-Fi 7 and Bluetooth 5.4, providing access to high-speed Internet, while the assortment of interfaces, including Thunderbolt 4 and HDMI with 4K support, caters to various device connections.
