VITURE Pro mobile docking station

Are you using XR glasses? Elevate your mobile entertainment to a whole new level with the VITURE Pro Mobile Dock, designed specifically for fans of Nintendo Switch and other devices with video output. With it, every trip, journey or outing with friends can become an unforgettable multimedia experience. The station offers full support for 135-inch Full HD display and 120 Hz refresh rate - turning a small screen into an amazing XR space.

Share the experience with friends

The VITURE Pro Mobile Dock is the only XR dock that supports screen sharing, so you can enjoy local multiplayer gameplay of, say, "Super Smash Bros" or "Mario Kart" with friends! Simply connect two pairs of XR glasses or additional USB-C displays to play or watch movies together, wherever you are

- just like in a movie theater, but without having to leave home.

A new dimension of entertainment with support for 3D

The new VITURE Pro Mobile Dock offers support for 3D content, opening up a world of 3D movies and games. Immerse yourself in extraordinary visual effects and feel like the hero of your favorite productions.

Full compatibility with HDMI and USB-C

With the station you will connect virtually any device that supports HDMI or USB-C output - from computers to Xbox consoles to smartphones and TV sticks. If your equipment has a video-out function, the VITURE Pro Mobile Dock will let you share video in the XR space, giving you maximum flexibility and convenience.

Longer operating time

The VITURE Pro Mobile Dock comes with a rechargeable battery to extend the runtime of your devices. Enjoy up to 8 hours of additional gaming on Switch, and up to 20 hours when using TV sticks or smartphones. It's ideal for entertainment lovers who want to make sure their devices can last through an entire movie marathon or a long evening of gaming.
