SPILL RESISTANT

Logitech Desk Mat features a spill-proof coating that withstands accidental mishaps, so liquids can easily be wiped away.

ALL GLIDE. NO SLIDE.

The soft surface fabric provides a comfortable mousing experience, while the rubber anti-slip base prevents sliding on any surface, keeping a firm hold on your desk no matter what.

BEAUTY THAT LASTS

Carefully selected materials that prevent the mat from wrinkling and shrinking, while a flat-stitched design protects the edges from fraying. The anti-slip base features natural rubber, while the soft, comfortable surface fabric and inner layer are made from recycled polyester, giving a second life to PET bottles.
