- ✓ Brand compatibility: Epson
- ✓ 1 pc(s)

Aprašymas

The fast drying EcoTank 113 ink series features all pigment inks for smudge and highlighter-resistant prints. With this reliable and high-quality ink, you can be sure it will deliver great prints with clear text and vivid colours. From one set of ink, you can produce thousands of pages without having to change a cartridge.

Professional looking prints

Enjoy great prints with clear text and vivid colours with this reliable and high-quality ink. The 113 ink series features all pigment inks to give you sharp prints that resist smudges and highlighters. As the pigment is quick drying, this ink is ideal for producing double-sided prints.

Print thousands of pages

It's impressive how many pages just one replacement set can produce - up to 7,500 pages in black and 6,000 in colour.

Easy to use

Filling EcoTank is simple and mess free with the resealable, intuitive and drip-free ink bottles. Thanks to a special mechanism, these ink bottles only allow the correct colours to be inserted.

Quality you can rely on

To produce great results time and time again, Epson genuine inks and papers have been developed to work hand-in-hand with Epson printers. Epson's range of quality products are the result of high-tech manufacturing facilities and extensive and continual research and development.
