Aprašymas

The Lenovo Legion Pro 5 16IAX10 is designed for gamers and creators who demand high performance and visuals. Featuring a 16-inch OLED display with a resolution of 2560 x 1600, this notebook delivers vibrant colors and clarity for an immersive experience. With a refresh rate of 165 Hz and support for NVIDIA G-SYNC, it ensures smooth gameplay with minimal screen tearing. Equipped with Dolby Vision and 100% DCI-P3 color gamut, every image comes to life, making it suitable for both gaming and multimedia tasks.

Powered by an Intel Core Ultra 9 processor with 24 cores and up to 5.4 GHz Turbo speed, this laptop handles demanding applications and multitasking. Coupled with 32 GB of DDR5 RAM and a 1 TB SSD, users can expect fast loading times and efficient performance across various platforms. Harman audio technology and Nahimic audio further enhance the auditory experience, creating a rich sound environment for gaming and entertainment.
