Aprašymas

PULUZ PU4119B 60W 2500K-6500K studio lamp (black).

The PULUZ PU4119B is a compact and extremely lightweight studio lamp, weighing just 625g, which is ideal for professional photo shoots, video recordings, interviews or live broadcasts. Its handy, mobile design makes it an excellent choice for both studio work and outdoor photo shoots.

Performance for long hours of work

Equipped with a 10000 mAh battery, the lamp can run for up to 4 hours on maximum power and as much as 8 hours at lower settings. With the ability to charge simultaneously while working, the device ensures uninterrupted operation, even in demanding conditions.

60W power for perfect illumination

The PULUZ PU4119B offers a power level of 60W, providing even and stable illumination with a range of 3 to 6 meters. With a maximum brightness of 13,000 Lux, it is ideal for creating crisp and clear shots, meeting the expectations of professionals.

Excellent color reproduction quality

With an adjustable color temperature from 2500K to 6500K and the ability to fine-tune brightness from 0-100%, the lamp guarantees faithful color rendition, close to natural daylight. CRI values of 95-98 Ra and TICL 96+ ensure that every shot will look realistic and natural.

Even more versatility

The lamp has a mini Bowens mount, which allows you to easily connect additional accessories such as reflectors or soft diffusers, which are included. With this solution, you will create diverse lighting effects, perfect for any session.
