

Graphics Card Sapphire Pulse Radeon RX 7600 Gaming 8G, 8192 MB GDDR6

Modelis: 11324-01-20G

Gamintojas: SAPPHIRE

EAN: 4895106293618

Prekės kodas: 60541

325.99€

Sapphire Pulse Radeon RX 7600 Gaming 8G Graphics Card

The Sapphire Pulse Radeon RX 7600 Gaming 8G is engineered for exceptional 1080p performance, delivering high frame rates and stunning visual fidelity for the latest demanding games. Built on the revolutionary AMD RDNA 3 architecture, this graphics card offers efficiency and power, making high-quality gaming accessible to enthusiasts.

The PULSE series is renowned for its excellent thermal management. The advanced cooling solution ensures the GPU remains cool under intense load, maintaining high clock speeds for peak gaming performance without excessive noise.

Unrivaled 1080p Gaming Performance

- **8 GB GDDR6 Memory:** Ample high-speed VRAM to handle high-resolution textures and complex game environments, ensuring smooth performance.
- **AMD RDNA 3 Architecture:** Benefit from dedicated AI acceleration and Raytracing enhancements, pushing the boundaries of realism in supported titles.
- **High-Efficiency Cooling:** Features a robust cooler design optimized for airflow and thermal dissipation, keeping temperatures low during extended gaming sessions.
- **Optimized Power Delivery:** Ensures stable and efficient power for reliable performance under all conditions.
- **Modern Connectivity:** Equipped with the latest display outputs (HDMI 2.1, DisplayPort 2.1, etc.) to support high refresh rate monitors.

Built for Stability and Longevity

The Sapphire Pulse series is known for its durable construction, utilizing high-quality components and an aesthetic backplate that provides structural rigidity and improved passive cooling.

SAPPHIRE is a globally recognized manufacturer known for producing high-quality, high-performance graphics cards primarily using AMD Radeon technology. Their Pulse series is specifically designed to balance performance, cooling efficiency, and value.

Order today from ++SHOP++ as we offer the best pricing and reliable service for cutting-edge PC components.
