Pagrindinės savybės

- ✓ Home & office Inkjet Colour printing
- ✓ 4800 x 1200 DPI
- ✓ Printing colours: Black, Cyan, Magenta, Yellow
- ✓ A4
- ✓ Colour copying Colour scanning
- ✓ Apple AirPrint
- ✓ Direct printing
- ✓ USB port Wi-Fi
- ✓ 5.4 kg

Aprašymas

SLEEK AND STYLISH 3-in-1

The sleek Epson Expression XP-5200 wireless all-in-one offers auto 2-sided printing and other high-performance features for efficient everyday home printing. Featuring a 2.4" colour LCD for simple setup and navigation, the XP-5200 makes it easy to wirelessly print, copy, and scan documents and photos.

AFFORDABLE INDIVIDUAL INK CARTRIDGES

Depending on what you are printing – lots of blue skies will mean your cyan will need replacing sooner than other colours – your printer's ink will reduce at different levels. With individual inks you only need to replace one cartridge at a time – the one that actually needs replacing. With tri-colour cartridges, you end up throwing away the entire cartridge even if just one colour runs out, meaning you waste the good ink you have left. Wasted ink is just wasted money. Epson individual ink cartridges means you save money and don't waste ink.

EPSON SMART-PANEL

An innovative interface, the Epson Smart Panel app² transforms your iOS® or Android™ mobile device³ into an intuitive control centre for your Epson Expression Home XP-5200. This powerful tool makes it easy to set up, monitor, print, scan and more using your Epson printer, right from your hand-held device. With quick-configuration features, it offers easy product setup on your wireless network and automatically detects your printer. Customise the app to your own preferences and requirements. Built to offer everything you need in one convenient app, Epson Smart Panel allows you to register your product, order supplies and easily access troubleshooting tips.

POWERED BY PRECISIONCORE® HEAT-FREE TECHNOLOGY

The Epson Expression Home XP-5200 is powered by PrecisionCore® Heat-Free Technology which uses a revolutionary high-density print chip that can generate up to 40 million precise dots per second with amazing accuracy, producing professional-quality output at fast speeds.

Simple wired & wireless connectivity

The Epson Expression Home XP-5200 supports the latest wireless standard, 802.11 b/g/n⁴ and includes Wi-Fi Direct®. Which means no router is required, providing users with greater coverage and faster speeds. You can use your printer from anywhere in your home and share it with multiple PCs.

Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print emails, web pages, presentations and documents straight from their iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple® iOS® device will automatically connect to the printer.
