Aprašymas

The Lindy Fixed Wall-Mounted Monitor Arm is the perfect solution for optimizing your workspace, gaming station, or home entertainment setup. Designed to support screen sizes ranging from 10 to 26 inches, this versatile mount offers a robust build with a maximum load capacity of 20 kg, ensuring your monitor or small TV is securely held in place. Its pivot able design allows for a tilt range of -15° to +10°, making it easy to find the most comfortable viewing angle, while the 180° pivoting range across two joints adds flexibility for corner installations or shared viewing spaces.

The compact wall mounting plate ensures a secure and streamlined fit on most walls, keeping your setup sleek and organized. With support for VESA standard mounting holes up to 100x100, this monitor arm is compatible with a wide range of devices, making it a reliable and practical choice for any space. Whether you're looking to declutter your desk or enhance your viewing experience, this monitor arm combines durability and functionality in a compact design.

Please ensure that your display is VESA compatible and does not exceed the maximum supported weight of 20kg. This mount is also not suitable for monitors with recessed VESA mounts.
