- ✓ Perfect for beginners and hobbyists
- ✓ Controller unlocks free version of djay with Neural Mix feature
- ✓ Built-in rechargeable battery with up to 10 hours of playtime
- ✓ Works with both iOS and Android devices
- ✓ 4 pads for creative performances

### Aprašymas

Unleash your DJ potential anywhere with the Hercules DJControl Mix Ultra – the ultimate mobile DJ controller designed for smartphone and tablet users.

Plug and play compatible with iOS, iPadOS and Android, this compact, wireless powerhouse gives you full control over your mix, complete with tactile pitch volume faders, FX buttons, and touch-sensitive jog wheels for pro-level scratching. The built-in rechargeable battery offers up to 10 hours\* of non-stop performance, allowing you to mix anywhere without cables, and its Bluetooth connectivity makes pairing effortless. Plus, mix millions of tracks by pairing the included dJAY app with a streaming service like Apple Music, TIDAL, Beatport Streaming, Beatsource Streaming or SoundCloud Go+.

Lightweight and ultra-portable, the DJControl Mix Ultra is perfect for DJs on the move, delivering professional features in a compact size. Mix, create, and perform like never before—wherever your music takes you!

\*Battery life tested up to 10 hours with standard usage conditions; actual performance may vary based on usage and settings.

ANYWHERE, ANYTIME. TAKE IT EASY.

Created for aspiring DJs, casual hobbyists and those who want to have a fun, mobile-first DJ experience, the Hercules DJControl Mix Ultra is a mobile, feature-packed DJ controller for DJs of all levels, offering seamless compatibility with both smartphones and tablets (iOS/Android). Whether you're mixing at home, at a party, or on the go, this controller provides the freedom and flexibility to create professional-quality mixes wherever you are. Compact and lightweight, the DJControl Mix Ultra easily fits into any backpack, making it the perfect travel companion for DJs who need to perform anytime, anywhere.

IT'S YOUR TURN

Designed for DJs on the move

With the DJControl Mix Ultra, you'll have everything you need to bring your mixes to life, no matter where inspiration strikes.

Award-winning DJ software

Whether you're a seasoned DJ or just getting started, djay provides an intuitive, user-friendly interface packed with powerful features. Available on mobile, desktop, and spatial devices, djay delivers a versatile and immersive DJ experience for all skill levels.
