Aprašymas

Perlesmith PSTVMC06 23-60" TV mount

The Perlesmith PSTVMC06 mount is designed for TVs with diagonal sizes ranging from 23" to 60" and weighing up to about 39.9 kg. Thanks to its solid construction and practical wheels, the product is an ideal choice for both home and office use. You can also successfully place a laptop or gaming controllers on it.

Compatibility and adjustability

The product is compatible with VESA standards from 100 x 100 mm to 400 x 400 mm, which allows easy installation of a variety of TV models. The up to 15-degree angle adjustment function allows you to adjust the position of the screen, so you can minimize glare and enjoy a comfortable viewing experience.

Mobility and convenience of use

The Perlesmith PSTVMC06 is equipped with casters that allow you to move the TV freely on various surfaces. The product moves smoothly. You don't have to worry about the risk of scratching the floor. As a result, it will prove reliable not only at home, but also in offices and conference rooms.

Ergonomics

The mount was designed with comfort in mind. Its height of about 137.4 centimeters provides an optimal viewing level, which reduces eye and neck fatigue during prolonged use. In addition, the dedicated space for a laptop or two gaming controllers increases functionality and makes it an excellent choice for gamers and multimedia users.
