Simulator Cockpit Next Level Racing GT LITE

The Next Level Racing GT Lite is the ultimate foldable GT position cockpit for users who demand a realistic racing experience in a compact and portable design. This cockpit is perfect for those with limited space but who still want a rigid and immersive racing setup. Featuring the innovative Next Level Racing Hubs, users can quickly switch racing positions and find the most comfortable setup for their needs.

Features:

- Next Level Racing Hubs allow for quick adjustments and solid durability.
- Adjustable wheel, gear shifter, and pedal positions and angles.
- Gear Shifter support included and can be installed on the left or right side.
