Aprašymas

SJCAM C200 Pro Action Camera

The SJCAM C200 Pro lets you capture your dynamic adventures in 4K video at 30 fps and photos with a resolution of up to 20 MP, while its six-axis gyro stabilization helps keep your footage smooth even during intense movement. The camera also features HDR, distortion correction, and 8x digital zoom, giving you greater freedom when recording. Its compact design, measuring 68 × 34 × 26.5 mm, makes it easy to take along on your travels, and the 1.3-inch HD touchscreen lets you conveniently access all the available features.

Capture Every Detail in 4K

Record stunning landscapes, athletic feats, and important moments in 4K 3840 × 2160 resolution at 30 fps to preserve sharp details and vivid colors. The SJCAM C200 Pro also supports 2K at up to 60 fps, Full HD 1080p at up to 120 fps, and 720p at up to 120 fps. You also get photos with a resolution of up to 20 MP and an HDR feature that enhances color reproduction and contrast, allowing you to capture a more natural image.

Stable shots right in the middle of the action

Six-axis gyroscopic stabilization minimizes the impact of vibrations on your footage, allowing you to capture smoother videos even during intense activities. Distortion correction technology ensures accurate image reproduction when photographing or filming wide scenes. The camera also offers exposure adjustment within a range of ±2 EV and several white balance settings, including Auto, Daylight, Cloudy, Incandescent, Fluorescent, and Underwater modes.

More Ways to Create Creative Footage

The SJCAM C200 Pro offers an extensive set of modes, making it easier to tailor your recording style to specific situations. Available options include standard recording, time-lapse, and slow-motion recording; car mode; loop recording; pre-recording and delayed recording; motion detection; portrait mode; and simultaneous photo and video capture. For photos, you can use standard mode, interval shooting, continuous shooting, and time-lapse photography.

Ready for Underwater Adventures

The camera is waterproof to a depth of 5 m without an additional case, so it can accompany you during water-related activities. With the waterproof case, the device can be submerged to a depth of up to 30 m. The camera’s compact size makes it easy to carry, and the variety of mounting accessories allows you to customize the mounting method to suit your planned shot. The device is also compatible with the dedicated SJCAM remote control, and when used with the separately sold magnetic lanyard, it allows for convenient hands-free POV recording.

Touchscreen Control and Wi-Fi Connectivity

The 1.3-inch HD touchscreen provides easy access to the camera’s features and makes it simple to adjust settings while recording. Dual-band Wi-Fi supports both the 2.4 GHz and 5 GHz bands, and the camera also allows for app control and live streaming on YouTube. The SJCAM C200 Pro can function as a webcam, and the USB-C port makes it easy to connect the device. A built-in microphone and speaker round out its capabilities, while support for microSD cards up to 128 GB provides ample storage for recorded footage.

Up to 95 Minutes of 4K Recording

The 1,200 mAh lithium-ion battery with a capacity of 4.56 Wh allows for up to 95 minutes of recording in 4K at 30 fps. Its compact dimensions of 68 × 34 × 26.5 mm make the camera easy to carry and quick to grab when the opportunity to record arises. Thanks to its combination of a compact design, multiple recording modes, and various mounting options, the SJCAM C200 Pro lets you conveniently capture events from different perspectives.

Included in the set

- SJCAM C200 Pro action camera
- Waterproof case
- Mounting bracket
- Quick-release mount with mounting screw
- 2 mounting stands
- USB cable for charging and data transfer
- 2 3M double-sided adhesive strips
- Microfiber cloth for cleaning the lens
