Big Things Come in Small Packages

We can all use some extra space. To store our digital content, that is. That’s why we designed the One Touch family — premium, high-capacity HDDs, SSDs, and hubs to help you manage your digital world with ease and confidence. Durable and dependable, keep your content with you so it’s ready to access — whenever you need it — with our ultra-small, portable HDDs and SSDs. Or backup files AND charge multiple devices simultaneously with the password-protected hub in abundant capacities.

Measurably Small. Amazingly Fast.
Accelerate your performance and score some downtime with One Touch SSD. With speeds up to 1,030 MB/s to transfer large files without delay, an Android app to backup photos and videos — freeing up device space, plus up to 2 TB capacity and simple plug-n-play USB-C compatibility with Windows, Mac, and Chromebook to keep files handy. Travel-sized and styled right, work seamlessly from the drive — wherever you are.

An External SSD Outfitted for Android

With One Touch SSD, backup your Android’s videos, photos, and more and free up extra space on your device! Featuring USB-C connectivity and our new Android backup app (download via the Google Play Store). Transfers are quick and easy, and OneTouch SSD is perfect for taking your content on the go. Click here for a list of devices that have been factory-tested for compatibility.

High Capacity. Stellar Style.
Refined and understated. Cosy and textured. One Touch comes in an array of styles and capacities made to complement your signature look. And whether you’re storing yearly tax documents or ever-growing collections of high-res photos, capacity won’t be an issue.

Make Your To-Do List Easier

Life’s busy, and backing up digital memories is always on the to-do list. Check it off — with One Touch Hub. Password-protected storage with a front-facing USB-C and USB 3.0 port to backup AND charge multiple devices, Windows®/Mac compatibility, and capacities that store countless photos.

Advance Data Encryption

Need a hard drive that goes above and beyond the call of duty? Opt for One Touch HDD or One Touch Hub with data security. Thanks to its password protection and AES-256 hardware encryption — the same standard used by the U.S. government and global intelligence agencies — you can rest easy knowing your digital life is secure.

Convenient Backup

With One Touch SSD you can sync folders for seamless file management, and get the effortless file protection of Sync Plus software. With One Touch HDD and One Touch HDD with password, schedule automatic hourly, daily, weekly, or monthly backups to keep all your files consolidated into one place. Whatever your backup style, One Touch offers an easy-to-use solution for you.

Dropbox Backup Plan

Automatically back up one computer and one external drive with a 6-month free trial of the Dropbox Backup plan. Keep a copy of your files in the cloud and quickly restore any accidentally deleted data.

Control Your Content with Mylio Photos

Organise, declutter, and enhance your photos and videos with a 6-month complimentary subscription to Mylio Photos plan. Bring your scattered media together in one library that’s private and protected — and easily preserve family memories for generations to come.

We’ve Got Your Back

When the unexpected happens — like water damage or natural disaster — Rescue Services help you defend against data loss and retrieval costs so you can rest easier.
