## Pagrindinės savybės

- ✓ Distinctive tone-on-tone color design with elegant side lighting effect
- ✓ Full range of RGB light support for numerous lighting combination
- ✓ Supports ASUS Aura Sync/ Gigabyte RGB Fusion/ MSI Mystic Light/ ASRock Polychrome Sync software synchronization & management
- ✓ Built-in PMIC & On-die ECC for better power management & stability
- ✓ Supports Intel® XMP 3.0 & AMD EXPO™ for one-click overclocking
- ✓ Rigorous test procedure to ensure highest quality and reliability
- ✓ Reduced voltage & low power consumption
- ✓ QVL approved and compatible with mainstream motherboards

## Aprašymas

Klevv KD5AGUA80-60A300J. Komponente für: PC, Speicherkapazität: 32 GB, Speicherlayout (Module x Größe): 2 x 16 GB, Interner Speichertyp: DDR5, Memory Formfaktor: 288-pin DIMM, CAS Latenz: 30

## Techninė specifikacija

| Specifications                 |                              |
|--------------------------------|------------------------------|
| Sandėlio grupė                 | Arbeitsspeicher [+767][-133] |
| Features                       |                              |
| Internal memory                | 32 GB                        |
| Memory layout (modules x size) | 2 x 16 GB                    |

|                                               |                           |
|-----------------------------------------------|---------------------------|
| Internal memory type                          | DDR5                      |
| Memory data transfer rate                     | 6000 MT/s                 |
| Component for                                 | PC                        |
| Memory form factor                            | 288-pin DIMM              |
| On-Die ECC                                    | Yes                       |
| CAS latency                                   | 30                        |
| Buffered memory type                          | Unregistered (unbuffered) |
| Memory voltage                                | 1.35 V                    |
| Intel Extreme Memory Profile (XMP)            | Yes                       |
| Intel Extreme Memory Profile (XMP) version    | 3                         |
| AMD Extended Profiles for Overclocking (EXPO) | Yes                       |
| Cooling type                                  | Heatsink                  |
| Backlight                                     | Yes                       |
| Backlight colour                              | RGB                       |
| Weight & dimensions                           |                           |
| Width                                         | 133.3 mm                  |
| Depth                                         | 8 mm                      |
| Height                                        | 44 mm                     |
| Matmenys ir svoris                            |                           |
| Svoris                                        | 0,19kg                    |
