Aprašymas

Our lightest, most compact Galaxy Z Fold yet

The laws of physics have nothing on this leveled-up design. Galaxy Z Fold5 lives up to its name by folding closed, making a massive screen implausibly pocketable. Open it up, fold it shut or flex to the perfect angle. The redesigned Flex Hinge is a technical marvel that bends to your will.

The ultimate 7.6" Main Display

Unfold a stunning, immersive screen — reimagined to bring you gaming like never before, cinematic viewing wherever you are and PC-style productivity — all on a tablet-sized device.

Enjoy all day

With a massive 4400mAh (typical) dual battery system, you can listen to music for up to 73 hours straight or watch your shows for up to 21 hours. Paired up with an advanced processor, it efficiently adjusts power usage to your habits and your needs, making one charge last longer than ever before.

Powerful gaming with the fastest Snapdragon on a Galaxy Z Fold yet

Power your road to victory with the upgraded hardware and software of Snapdragon® 8 Gen 2 Mobile Platform for Galaxy. This high-performance processor fuels champion-level gameplay with CPU performance improved by 18%, GPU by 32% and NPU by 25%.

Multi Window. Your multitasking secret weapon

The most advanced multitasking experience on a Samsung Galaxy smartphone yet lets you keep three windows at once, so you can stream, shop, browse and play more. The task bar holds up to twelve apps for effortless navigation. Add S Pen to your task-blasting toolkit for even more efficiency.

Standout cameras. Cover to cover

An advanced camera system, paired with this unique two-display form factor, turns your phone into a mobile studio complete with 30x Space Zoom. And with Dual Preview you can show your subject exactly what you're seeing in the preview. This way, they can pose and fix their hair to look their best.

Premium and tough, inside and out

Armor Aluminum in the frame protects the body from damage while the new, dual rail Flex Hinge provides a stronger and more durable fold. All sealed tight with top-of-the-line water resistance.

Control more screens at once with Multi control

Enjoy seamless device collaboration. Multi control lets you use a keyboard and mouse across devices like your Galaxy Z Fold5 and Galaxy Tab S9, making it easy to copy and paste or drag and drop. Your tablet can even double as a second screen, to make your portable workspace even more efficient.

Smart Switch

Safe and secure. Take your photos, apps and messages with you when you switch to Galaxy.
