Aprašymas

Osmo 360 II captures every side of the story. With 1" 360° imaging and a high-performance chip, it delivers native 8K/60fps video with stunning clarity. A 14.5-stop dynamic range and AI SuperNight 2.0 capture striking details across highlights and shadows. Shoot worry-free with ultra-hard replaceable lenses and 105GB of built-in storage. With Spotlight Follow, NFC Quick Connect, and smart editing features, creating your next masterpiece is effortless.

Flagship Imaging, Day or Night

Specially designed for 360° capture, the square HDR image sensor maintains the same 360° image field as a traditional 1-inch sensor, while increasing sensor utilization by 25%. This delivers lower power consumption and a massive leap in image quality, keeping footage clean and clear, day or night.

1-Inch 360° Imaging & Native 8K/60fps

Advanced 1-inch 360° imaging pairs with large 2.4 μm pixels and a high-performance chip to deliver native 8K/60fps 360° video. Even during extreme ski jumps, every frame remains sharp and free of motion blur, ensuring uncompromising image quality and smoothness.

14.5-Stop 360° High Dynamic Range

With its 360° dynamic range expanded to 14.5 stops, Osmo 360 II captures double the brightness range. Independent exposure across both lenses effortlessly manages sudden lighting shifts, nailing highlight and shadow details even as you speed through high-contrast environments.

AI SuperNight 2.0

With an f/1.9 aperture and an all-new AI image noise reduction algorithm, Osmo 360 II captures exceptionally clean and bright low-light shots. Whether you're recording faces in low light or fireworks bursting across the sky, your nighttime moments are rendered in stunning detail.

Spotlight Follow, Auto-Framing

Skip the reframing in post. AI algorithms intelligently track and lock onto your subject, keeping it in the center of the frame no matter how the camera rotates. Shoot and share instantly to make every moment cinematic.

Smart Editing, One-Tap Magic

Leave the heavy lifting to DJI Mimo. The app packs intuitive smart features, helping you create impressive videos with just one tap.

Pro Editing, Limitless Creation

Smoothly connect to professional editing workflows. DJI Mimo and DJI Studio streamline the post-production process, maximizing your efficiency.

Any Scene, Any Angle

Light enough to take anywhere and powerful enough to shoot anything. Osmo 360 II seamlessly follows your lead to capture life on a cinematic scale.

Extensive Accessory Ecosystem

A robust lineup of accessories adapts to any scenario and angle, empowering you to easily capture standout, creative shots.

Summary: DJI Osmo 360 II Standard Combo. HD type: 8K Ultra HD, Maximum video resolution: 7680 x 3840 pixels, Maximum frame rate: 240 fps. Sensor type: CMOS, Optical sensor size: 25.4 / 1.1 mm (1 / 1.1"), Image formats supported: JPEG, Raw. Display diagonal: 5.08 cm (2"), Display resolution: 314 x 556 pixels. Image stabilizer type: Electronic Image Stabilization (EIS). ISO sensitivity: 100, 51200 | Vendor Homepage: <https://www.dji.com/global/360-2> | Maximum video resolution: 7680 x 3840 | Maximum frame rate: 240 | Video formats supported: HEVC/MP4 | HD type: 8K Ultra HD | Sensor type: CMOS | Optical sensor size: 1/1.1 | Image formats supported: JPEG/Raw | Built-in display: Yes | Display diagonal: 2 | Display resolution: 314 x 556 | Touchscreen: Yes | Flip-out screen: No | Image stabilizer: Yes | Image stabilizer type: Electronic Image Stabilization (EIS) | ISO sensitivity: 100/51200 | Built-in microphone: Yes | Audio recording formats: AAC | Storage media: Internal memory | Internal memory: 128 | Compatible memory cards: MicroSD (TransFlash) | Maximum memory card size: 1000 | Wi-Fi: Yes | Wi-Fi standards: 802.11a/802.11b/802.11g/Wi-Fi 4 (802.11n)/Wi-Fi 5 (802.11ac)/Wi-Fi 6 (802.11ax) | Frequency band: 5.725 - 5.850 | Bluetooth: Yes | Bluetooth Low Energy (BLE): Yes | Bluetooth version: 5.4 | Near Field Communication (NFC): Yes | Fastest camera shutter speed: 1/8000 | Shutter speed (photo): 1/8000s to 30s | Product colour: Black | Waterproof up to: 10 | Battery operated: Yes | Battery technology: Lithium-Ion (Li-Ion) | Battery type: Built-in | Battery capacity: 8.3 | Battery voltage: 3.86 | Battery life (max): 1.4 | Operating temperature (T-T): -20 - 45 | Width: 363 | Depth: 610 | Height: 810 | Weight: 183 | Carrying case: Yes | Quick start guide: Yes | Unit Calculated Weight: 0.36 | Battery weight: 37 | Battery: Lithium-Ion rechargeable | Product Net Weight: 0.183 | Unit Calculated Volume: 0.000945 | Units per Shipping Box: 1 | Unit Width: 10.5 | Units per Pallet: 0 | Shipping Box Height: 6 | Unit Depth: 15 | Unit Height: 6 | Name: CAMERA OSMO 360 II STANDARD/COMBO CP.OS.00000635 DJI | Model name: Osmo 360 II Standard Combo
