Aprašymas

Slimfit for heavy-duty protection without the bulk!

Introducing our thinnest case ever: SL1M. The super-slim CARE™ by PanzerGlass® case for foldable smartphones is a mere 1 millimetre thin, yet it's designed to work seamlessly with your device's unique folding design.

It's MagSafe compatible and features enhanced camera protection, while maintaining easy access to the hinge and full folding functionality. Made of 100% recycled plastic, this case is treated with our unique Nanotech-enabled smart coating that's sweat and make-up resistant.

It also comes with our 1-year anti-yellowing guarantee. So say goodbye to bulky covers that yellow over time and hello to slim-fitting, heavy-duty protection that keeps your foldable phone safe from drops, shocks, and scratches without hiding its innovative design and premium look behind a clunky case.

DARE TO CARE.

CARE™ is a playful and protective international tech and lifestyle brand featuring a range of products created using the highest quality materials and influenced by fashion, art, and music. We care about people and the world we live in. We care about sustainability and self-expression. And we care about tech and extending its lifetime. So protect your tech in style and show the world you CARE.
