- ✓ Cover strips to hide screws, providing a clean look

Aprašymas

The AC8357 full motion TV wall mount is designed for TVs up to 90 inches and 50kg. This ultra-slim wall mount combines design and flexibility, allowing you to place the TV just 1.95cm from the wall or pull-out the bracket so the TV comes 25cm from the wall. Set your preferred viewing position by tilting or swiveling the TV. The AC8357 comes with everything that you need for an easy installation: drilling guide, bubble level and mounting material.

Ultra-slim wall mount: a stylish TV mounting solution

The AC8357 full motion wall mount is designed to hold TVs up to 90 inches and 50kg. Place the television close to the wall (1.95cm) for a sleek look

or pull-out the wall bracket (25cm) into the room for more convenience.

Set the optimal viewing angle

Adjust the viewing position of the TV to your preferences by tilting the television up or down and swiveling it left or right. This range of motion helps you to find the perfect angle to reduce glare and reflections on the television screen.

Switch easily between different seating positions while keeping a good view on the TV.

Easy and convenient installation

The AC8357 full motion TV wall mount comes as a complete package that includes a drilling guide, bubble level and all necessary mounting material.

Install the bracket to the wall using the provided drilling guide and bubble level for more convenience, then mount the VESA plates to your TV and hang the television in the wall mount.

Use the cover strips to hide the screws, for a clean look.
