Aprašymas

Works with Apple and Android smartphones and tablets

Connect your Android smartphone/tablet or the latest generation iPhone/iPad to the ACT 35W USB-C Fast Charger to charge your device up to 70% in just 30 minutes. The AC2135 can be used to charge your latest generation Apple MacBook Air.

Power Delivery PPS

The AC2135 charger supports Power Delivery PPS (Programmable Power Supply). PPS ensures the most efficient charging of your device by adding additional charging profiles. Charging is dynamically adapted to the needs of the device. Efficient charging generates less heat and prolongs battery life.

GaNFast technology: compact yet powerful

The AC2135 USB-C charger features fast charging GaNFast technology. This means that Gallium Nitride is used as the semiconductor. This results in efficient and high power in a compact housing with minimal heat dissipation.
